“ Always a kind face and a quick smile - first as a child walking to school from up the road with Donna, Judy, & Doris. I also remember one time going over to the camp with all of you. Then in my adult years, he was still a neighbor and I saw him often when I would sometimes pick Zelma up for Kingdom Hall activities. He was always ready with "Howdy Neighbor". Truly a ray of sunshine. Oh yea - and he kept his farm equipment so clean you could probably eat off the manure spreader!!!

“ Mr. Fox was such a kind ,friendly neighbor when we lived on East Rd. My children remember his greeting, "Hi neighbor" whenever he saw one of us. His cows were pastured at times in the fields that bordered our yard. One of my fondest memories is of Mrs. Fox driving the tractor through the field when the cows calved, and Harold walking along beside picking a calf up and putting it in the bucket loader for the trip back to the barn. We were so fortunate to have known this good man.

“ Dear Doris & Family,
I am sorry for your loss. I didn't know your Dad but from knowing you (we carry a lot of our parents' traits), seeing his picture and reading what Sandy wrote, I am sure he was a really special man who made this world brighter for many people.
My Sympathy and Thoughts are with you at this very sad time.

“ I am so sorry that I cannot attend the services - Harold was a wonderful neighbor and very special friend. I miss his visits and "Hello Neighbor". He and I conspired on the pickles and jams that he so loved. He had much to share on farming and I was so pleased with his encouragement and advice to my folks and to me over the past 50 plus years.

He loved the animals and would be so pleased now if he could see the rescued horses that have been saved from horrendous lives by our neighbors. He always had to see the lambs, the calf, our one year of baby pigs and entertained the grandchildren by sharing with the. He is very, very much missed. As a tribute to an awesome farmer, I so hope the farm continues to be cared for in the meticulous way he demonstrated throughout life.

Prayers and love to the family
