“ I was very sorry to hear of Uncle Donald's passing. It brought back a lot of memories. He was instrumental in making me like pizza! I remember when we would all go to Kezar Lake on Sundays in the summer for swimming and a picnic. He would always do the cooking and made some mighty fine burgers. I remember when he would come to the house to help us after Dad had past away. Helping us with the electrical things around the house. Mom always said that he was very good to Memere Brodeur always helping. I know he will be missed. God Bless, love Phil Prince
