“ I learned many things from Uncle Ronnie, perhaps the best thing of all was how to drive really, really fast and safely. Ron was eight years older than me and back in the early sixties I lived with him and my Grandparents for about a year. Since I was the oldest amongst my siblings, my time with Ron gave me a sort of older brother. Going to miss you Uncle Ron, everyone who knew you will miss "The Goose."

Also, Ron's obit gives Elaine as his daughter, Elaine was actually his older sister by thirteen years.
